SUPPORTING THE STATE OF WISCONSIN'S GOAL OF REPLACING
25% OF ITS ELECTRIC POWER AND TRANSPORTATION FUELS
FROM RENEWABLE RESOURCES BY 2025

WHEREAS, in April 2007, Governor Doyle issued Executive Order 192 creating the Office of Energy Independence (OEI) to take on the challenge of leading the State to replace its current electricity and transportation energy use with 25% renewable resources by 2025; and

WHEREAS, Executive Order 192 marked the beginning of an effort to become the nation's leader in the drive toward energy independence, moving United States citizens away from their dependence on foreign oil; and

WHEREAS, Wisconsin's natural resources create an opportunity for the State to be a leader in the emerging bio-fuel and renewable energy market which will create good paying jobs in Wisconsin.

WHEREAS, meeting the "Energy Independence" goals will require a coordinated commitment and effort from Wisconsin state agencies in partnership with private citizens, industries and organizations.

NOW, THEREFORE BE IT RESOLVED, that the City of Menomonie is committed to advancing the State of Wisconsin's vision for energy independence by generating 25% of the City of Menomonie's electricity and 25% of its transportation fuels from renewable resources by 2025.

Adopted by the City Council of the City of Menomonie this 6th day of July, 2009.
